Confidence in the new Administration is gaining ground in Washington financial circles. After attending the diplomatic reception at the Pan-American Union last night, J. Selwin Tait, president of the Washington and Southern Bank, today commented upon the favorable impression made upon the diplomats who gathered at the reception by Secretary of State Bryan.

"I believe that it is time for a change in this attitude. Mr. Bryan very plainly won the confidence of the diplomatic representatives at last night's gathering, and I could not fail to be impressed."

Robert N. Harper, president of the District National Bank, today corrected a report made this morning in con-nection with last night's meeting of the Democratic auxiliary committee, when the question of indorsement of candi-dates for the District Commissionships

Instead of urging an indersement of himself, Mr. Harper virg rously opposed an indersement of any sandidate on the ground that he considered it not in the province of the committee to make any indorsement.

Mr. Harper further declared that he would not pernet his name to be used

in connection with the Commissioner-ships, and would not under any cir-cumstances accept one of the posts, even though it were offered to him. A number of his friends had urged him to a candidate for one of the

#### Earthquake Registered At G. U. Early Today

Georgetown University seismographs registered a pronounced earthquake shock early today. The disturbance began at 4:04 a.m. and continued un-til 5:22.
